***"Participating in Levels One and Two of Inna's Visionary Intuitive Healing® Workshops has given me the tools to completely change my life. I had suffered for many years with severe fibrocystic breast disease which has now completely healed. I attribute this to my continued use of the processes taught to me by Inna during the workshops. I began to notice a gradual lessening of the symptoms from day one, until now, twelve months later, my breasts are showing no signs of the condition."*** - Paula Davison (Retailer)

***"I was feeling stuck, tired and dispirited. Each day was an effort. My heart was irregular and I was often short of breath. Physicians said they could not fix it! Through Visionary Intuitive Healing® I experienced a feeling of warmth and positivity and my heart has stabilised."*** - Dawn Reading (Nurse)

***"My experience in the course unequivocally proved to me that my own ability to send healing energy to others and for them to receive it is a powerful experience, as real as talking to, touching or looking at someone. This course has been like opening a whole new door to life."***
